Introduction

The Guide to Grants is a reference for questions arising in the administration of federal and state grants awarded through the Governor's Criminal Justice Division (CJD). This guide includes information on programmatic and financial policies, tips on managing your grant and references to state and federal regulations. Our goal is to assist you in establishing sound and effective business management systems to ensure funds are properly safeguarded and used only for the purposes for which they were awarded. By following these tips and guidance, you will experience a trouble-free process while complying with state and federal requirements.

The guide is a quick reference for the day-to-day management of your grant. This guide is not all-inclusive and is not intended to be the only document used to manage your grant. You are still required to comply with all applicable rules, regulations and guidelines. You are encouraged to contact your grant manager whenever questions arise that are not covered in the guide.

We hope this guide makes the grant management process easy and helps to ensure reporting requirements are met. In short, we want your project to succeed!

MANAGING YOUR GRANT

GRANT OFFICIALS

Who are grant officials and what are they required to do?

Texas Administrative Code, Title 1, Part 1, Chapter 3 (1 TAC) §3.2501

- ♦ *All grants are required to have three different grant officials.*
- ♦ *CJD conducts its business primarily through eGrants (<https://egrants.governor.state.tx.us>). It is critical that all three officials have and maintain a current email address.*

Additional information on the officials and their duties:

- | | |
|--------------------------|---|
| Authorized Official (AO) | <ul style="list-style-type: none"> ♦ Appointed/authorized by the governing body of the organization. ♦ Authorized to apply for, accept, reject, alter, or terminate the grant. ♦ Only one Authorized Official is allowed per agency. ♦ Authorized individuals are generally the county judge, mayor, city manager, chairman of a non-profit board, head of a state agency, etc. ♦ Has ability to complete and submit Financial Status Reports (FSR). |
| Project Director (PD) | <ul style="list-style-type: none"> ♦ Responsible for the day-to-day operations of the project. ♦ May have a different Project Director per agency grant. ♦ Must be an employee of the grantee agency. ♦ Responsible for required programmatic reporting. |
| Financial Officer (FO) | <ul style="list-style-type: none"> ♦ Required to be the chief financial officer for the grantee agency. ♦ Only one Financial Officer is allowed per grantee agency. ♦ Responsible for maintaining financial records to account for all grant funds. ♦ Responsible for requesting funds and the completion of required financial reporting at least quarterly (unless otherwise instructed by CJD) in eGrants. |

These officials may perform the following actions in eGrants:

Authority in eGrants	Authorized Official	Financial Officer	Project Director	Grant Writer
♦ Create, modify, and submit an initial application.	x	x	x	x
♦ Certify an official application.	x			
♦ Create and submit responses to Preliminary Review Reports (PRR).	x	x	x	
♦ Certify a PRR.	x			
♦ Create and submit budget and programmatic adjustments.	x	x	x	
♦ Certify requests for extensions and reductions or increases in CJD funds.	x			
♦ Create and submit financial reports/payment requests.	x	x		

Authority in eGrants	Authorized Official	Financial Officer	Project Director	Grant Writer
♦ Designate a new individual to serve as the Financial Officer (FO), Project Director (PD) or grant writer (after the new individual has registered in eGrants).	x			
♦ Designate a new or interim AO if the position becomes vacant (after the new AO has registered in eGrants).		x		

AWARD AND ACCEPTANCE

1 TAC §3.11

Who receives the formal notice of a grant award?

- ♦ All three grant officials will receive an email announcing the award.
 - The Authorized Official (AO) must accept the award in eGrants within 45 calendar days of the date from which the award was issued.

Failure to accept your award within 45 days could result in forfeiture of grant funding.

How does the Authorized Official accept the award in eGrants?

- ♦ The Authorized Official must go to the “Accept.Award” tab in eGrants to preview and accept or decline the award. After the AO takes official action to accept or decline the grant, the award documents may be viewed as a snapshot under the “Summary” tab.

PAYMENTS

1 TAC §3.2507

How do I let CJD know where to send our funds?

- ♦ CJD requires grant funds to be disbursed through direct deposit.
 - In your eGrants application, you must enter the State payee identification number (federal identification number or vendor identification number) that was given to your agency by the state comptroller in order to receive payments. If needed, you can find a *Texas Application for Payee Identification Number* form at: <https://egrants.governor.state.tx.us/updates.aspx> under the “Financial Management Tools” section.
 - For direct deposit, complete the *Vendor Direct Deposit Authorization* form and email or fax to the Office of the Governor, Financial Services Division. The Office of the Governor will establish your account with the State Comptroller. The *Texas Application for Payee Identification Number* form can be found at: <https://egrants.governor.state.tx.us/updates.aspx> under the “Financial Management Tools” section.
 - So as not to disrupt payment to your agency, CJD must be notified immediately if any of the information under the “Grant.Vendor” tab changes.

Your agency’s payee identification form, direct deposit form and IRS form W-9 can be emailed to: vendor.dd@governor.state.tx.us or faxed to: (512) 463-4114. Effective March 1, 2010, these forms will no longer be accepted in hard copy format.

- The information under the “Grant.Vendor” tab is locked and can only be updated by CJD upon request.

Can we still receive an advance in eGrants?

- ♦ Yes, advances are limited to **one time** start-up costs. You may request up to one month of funding, calculated by dividing the amount of the award by the number of months in your grant.
- ♦ eGrants will automatically deduct the amount of your advanced funds from the line item expenses you report. Once the amount of cumulative expenses exceeds the amount you were advanced, you may begin receiving remaining payments.
 - Please refer to the eGrants Financial Management Guide for the step-by-step process for requesting an advance.

How do I report expenditures and receive grant payments from CJD?

- ♦ A Financial Status Report (FSR) reflecting cumulative expenditures from the start of the grant must be submitted at least quarterly (unless otherwise instructed by CJD) and may be submitted as often as monthly.

Exceptions:

- Quarterly (not monthly) FSRs are required for grantees receiving funds under the Crime Stoppers’ Program.
- Monthly FSRs are required for grantees receiving funds under the American Recovery and Reinvestment Act (Recovery Act) under: 1) ARRA-Edward Byrne Justice Assistance Grants; 2) ARRA-Victims of Crime Act; and 3) ARRA-S.T.O.P. Violence Against Women Act programs.
- ♦ When cumulative expenditures exceed the cumulative amount paid to the agency, a payment will automatically be generated upon CJD approval of the FSR in eGrants.
- ♦ Payments are made on a reimbursement basis.
- ♦ Grant funds cannot be obligated before the beginning or after the end of the grant period.
- ♦ FSRs must be completed by the Financial Officer or Authorized Official.
- ♦ Cumulative expenditures must be reported by line item in eGrants.
 - Quarterly required FSRs are due 22 days after the end of each calendar quarter. Quarters and due dates are as follows:

Required FSRs not submitted to CJD could result in CJD holding reimbursement for all grants to your agency.

Calendar Quarter	Due Date*
January 1 – March 31	April 22
April 1 – June 30	July 22
July 1 – September 30	October 22
October 1 – December 31	January 22

(* If the due dates fall on a weekend or holiday, the report is due the next business day.)

- Monthly FSRs for ARRA grant recipients are due five days after the end of each month. Monthly due dates are as follows:

Month	Due Date
January 1 – January 31	February 5
February 1 – February 28	March 5
March 1 – March 31	April 5
April 1 – April 30	May 5
May 1 – May 31	June 5
June 1 – June 30	July 5
July 1 – July 31	August 5
August 1 – August 31	September 5
September 1 – September 30	October 5
October 1 – October 31	November 5
November 1 – November 30	December 5
December 1 – December 31	January 5

- ♦ Please refer to the eGrants Financial Management Guide for the step-by-step process for reporting expenditures.

What is the “liquidation date”?

1 TAC §3.2521

- ♦ The liquidation date is the final date you can report expenses that were obligated during the grant period.
 - Liquidation dates may vary between 30, 60 or 90 days after the grant end date. Check your award documents and grant adjustments for the grant end date and liquidation date assigned to your project.
 - Unless otherwise noted in an original grant award or grant adjustment, the liquidation date is 90 calendar days after your grant ends. Check the eGrants “Profile-Details” tab for the grant start date, end date and liquidation date.

Funds not obligated and expended by the liquidation date will revert to CJD.

REPORTING

Do we need to tell CJD how we spent the funds?

- ♦ *Yes. CJD uses the cumulative expenditure data reported by grantees to complete federal financial reports and to comply with other state and federal requirements. (Please refer to the previous section on reporting expenditures.)*

Are we required to report on our project activities?

- ♦ *Yes. Grantees must report their progress in meeting the goals, objectives, and measures stated in their application. CJD uses these progress reports to complete federal programmatic reports and to comply with other state and federal requirements.*

Programmatic Reporting

1 TAC §3.2527

- The Public Policy Research Institute (PPRI) at Texas A&M University collects programmatic progress report data for CJD. PPRI may also collect additional data to assist CJD in completing reports and complying with state and federal requirements.
- Upon acceptance of the grant award in eGrants, PPRI will email an information packet to the Project Director and the Grant Writer that contains reporting requirements specific to your grant.
- PPRI will provide each grant official with the website to the online reporting system, a user name/log-in, and password.
- The number and type of reports to be submitted to PPRI vary depending on the fund source.
- Reports are due 20 days after the end of a reporting period. Reports and due dates for each funding source are listed below:

Progress reports not submitted to PPRI will result in CJD holding payments to your agency.

Quarterly report due dates:

Fund Source	Report 1 Due Date	Report 2 Due Date	Report 3 Due Date	Report 4 Due Date
ARRA JAG	January 12	April 12	July 12	October 12

- The website for PPRI is <http://cid3.tamu.edu/>. Through this website you can:
 - View details such as funding source or award amount for current and previous grant years;
 - Check due dates for upcoming reports;
 - Submit report data online;
 - View reports submitted in the past; and
 - Contact PPRI staff with questions.
- For questions related to the programmatic progress reporting and the PPRI website, please contact PPRI at (979) 845-1041 or cjd@ppri.tamu.edu.

What is Uniform Crime Reporting (UCR) and does it apply to our grant?

- Units of government that operate a police department or sheriff's department are required to report crime data to the UCR system through the Texas Department of Public Safety (DPS).
- UCR data assists CJD in developing funding formulas based on crime statistics.
- Law enforcement agencies that are not reporting UCR data should contact DPS by phone at (512) 424-2091 or by email at ucr@txdps.state.tx.us so that DPS can provide necessary technical assistance regarding UCR reporting.

CJD uses UCR data to assist in determining funding levels. The lack of UCR reporting may cause a reduction in the amount of funds available to your area of the state.

What is a Vendor Hold (Financial Hold) and why should I be concerned about it?

1 TAC §3.2517

- ♦ A vendor hold results in CJD holding payments on all grants to your agency.
 - A grantee agency may be placed on vendor hold for any of the following reasons:
 - ♦ Delinquent FSRs
 - ♦ Pending refunds to CJD
 - ♦ Delinquent single audit reports
 - ♦ Non-compliance with State or Federal rules and regulations
 - ♦ Delinquent programmatic progress reports
 - ♦ Minimum match requirement not met
 - ♦ Unresolved monitoring findings

Remember: If you are delinquent on any required reports (financial or programmatic), you could jeopardize payments to other CJD grant-funded programs within your agency.

GRANT ADJUSTMENTS

How do I submit a grant adjustment?

- ♦ All grant changes/adjustments should be submitted through eGrants by a grant official.

Does CJD need to know if we change our physical or mailing address or if a grant official changes?

1 TAC §3.2501

- ♦ Yes. eGrants should be updated within 20 days when changes in positions, titles, mailing addresses, email addresses, telephone numbers, or fax numbers occur.
 - Changes to the contact information of an existing official are done through the official’s “My.Profile” tab. (Refer to the eGrants Users Guide to Creating an Application by going to: <https://egrants.governor.state.tx.us>.)
 - When the actual grant official has changed for an active and operating project, you are required to submit a grant adjustment (and other supporting documentation, if required) to CJD. (Refer to the eGrants Financial Management Guide by going to: <https://egrants.governor.state.tx.us>.)

What other types of changes can be made to our grant?

1 TAC §3.2513

- ♦ Changes to a grant are called grant adjustments.
- ♦ The types of adjustments you can request are listed below:
 - Budget – moves funds among or within approved budget categories, including increasing or decreasing the grant award amount;
 - De-obligation – reduces the grant award amount;
 - Supplemental – increases the grant award amount;
 - Programmatic – changes the scope or activities of the project; and

- Grant Period – changes the end date of the project.

Note: CJD allows grantees to move a cumulative total of 10% of the CJD-funded portion of the grant among or within *approved* budget categories without prior approval from CJD as long as the move does not change the **equipment** budget category, **indirect costs**, or the approved purpose of the project.

How do we adjust our budget?

1 TAC §3.2513

- ♦ *Requests for grant adjustments must be submitted through eGrants via the “Budget-Request Adjustment” tab. Any grant official can create a grant adjustment in eGrants. Only the Authorized Official can certify and submit the adjustment to CJD.*

How often can we adjust the budget?

- ♦ *You may request adjustments as many times as necessary throughout the grant period.*
 - Requests for budget adjustments should be submitted prior to the last 30 days of the grant period.
 - CJD will not approve budget adjustment requests submitted after the end of the grant period.
 - Requests to extend the grant period must be submitted and received no later than the last day of the grant period.

If you wait until the end of the grant period to make equipment purchases, CJD may not approve the purchase because it may appear that the equipment was not necessary to support the project during the grant period.

Should we submit a grant adjustment if we want to change whom we serve?

- ♦ *Yes. Changes to the approved activities or project scope must be submitted through eGrants as a programmatic adjustment.*

Can we extend our grant period?

- ♦ *Maybe. Requests to extend the grant period must be submitted through the grant adjustment process.*
 - Requests for an extension are handled on a case-by-case basis.
 - Generally, extensions are not approved for grantees that are scheduled to receive continuation funding.
 - Requests for an extension must be submitted to CJD and received no later than the last day of the grant period.
 - Requests for an extension must include information explaining why the extension is necessary. If approved and continuation funding is scheduled to start, the agency will be asked to reduce their new project by the applicable months and amount. All requests for extension must include the length of time the agency is requesting to extend the grant.

How will I know if our adjustment request has been approved?

- ♦ If the adjustment request is approved, the Criminal Justice Planner with the Council of Government (COG) and all three grant officials will receive an email and a notification in eGrants that the adjustment has been approved.

GRANT BUDGETS**What is an “approved budget category”?**

1 TAC §3.3

- ♦ Approved budget categories are personnel, contractual and professional services, travel, equipment, supplies and direct operating expenses, and indirect costs. Each line item within a budget category must contain a description of services provided or item to be purchased along with approved dollar amounts.

Tips for making changes to your budget:

- **Personnel**

1 TAC §3.75

- If adding or changing grant-funded positions, remember to include the percent of base salary that will be paid using grant funds. The grant manager assigned to your project will use the percent of base salary to determine if the salary is reasonable.
- Salaries should be reasonable, comparable to similar positions, and comply with your agency’s approved classification schedule. (In other words, you cannot pay grant-funded personnel more than you would if they were a non-grant paid employee of the agency.)
- List each position separately in the budget and include a brief description of duties specific to the project. Do not include personal information for individuals such as name or social security number in the budget. Personal information is subject to the *Public Information Act* and could be made available to the public upon request. Descriptive titles must be provided for each budgeted position. If there are multiple personnel performing the same activity, each position must be listed separately (e.g., *Investigator 1, Investigator 2; Counselor 1, Counselor 2, Counselor 3, etc.*).
- CJD will not pay for any portion of the salary (or any other compensation) for an elected government official.

NOTE: All grant-funded personnel must maintain on file personnel activity reports that: 1) reflect the distribution of actual time worked and activity performed; 2) are prepared at least monthly, and 3) are signed by the employee and supervisory official having first hand knowledge of the work performed by the employee. An example of an activity report can be found in the Appendix or you can download a blank form at:
<https://egrants.governor.state.tx.us/updates.aspx>

- CJD approval must be given prior to paying overtime unless it was approved in the original budget. A copy of the overtime policy approved by your governing board must be uploaded to eGrants before CJD will approve paying overtime.
 - 1) Federal regulations governing these funds prohibit use of grant funds to pay an individual for the same hours in which the individual is being paid by a unit of government. For example, if an officer's regular work hours are 7 a.m. to 4 p.m. and he takes a day of paid annual leave, he is not eligible to be reimbursed with grant funds for any hours he voluntarily works between 7 a.m. and 4 p.m. He may be eligible for any hours worked that day outside of 7 a.m. to 4 p.m. provided the hours worked comply with the grantee agency's requirements for hours worked prior to eligibility for overtime pay. The regulation regarding hours of eligibility for overtime does not apply to an officer who volunteers to work on his regularly scheduled days off provided he complies with the grantee agency's requirements for hours worked prior to eligibility for overtime pay.
 - 2) Hours worked is defined as physical hours on the job and does not include paid annual leave, compensatory leave, sick leave, holiday leave or other paid leave.
 - 3) On-call hours should not be included in physical hours worked or as eligible hours for overtime.
 - 4) Personnel receiving grant funds for overtime must maintain time and activity reports for all time physically worked. The activity description should include detailed information about the actual activities performed.
 - 5) Time should be recorded to the nearest quarter hour.
 - 6) Grantee records must include a clear calculation in how the overtime was computed.
 - 7) Overtime payments issued outside this policy are the responsibility of the grantee agency.
- **American Recovery and Reinvestment Act (ARRA) recipients only:** All ARRA grantees reporting personnel expenses within an FSR must include the cumulative hours worked by each personnel position from the start date of the grant through the FSR reporting period.
- **Contractual and Professional Services**
 - 1 TAC §3.77
 - CJD must pre-approve any contracted services expected to exceed \$100,000. This includes single item purchases in excess of \$100,000 and multiple items purchased through a single vendor within one line item that exceed an overall cost of \$100,000. A Procurement Questionnaire must be uploaded to eGrants for CJD review and approval before committing to procurements in excess of \$100,000. The Procurement Questionnaire allows CJD to review the agency's policies for contractual services purchased in excess of \$100,000. (Refer to Appendix A for an example of the Procurement Questionnaire or download a copy by going to: <https://egrants.governor.state.tx.us/updates.aspx>.)

- Written contracts or agreements must be on file at your agency and be made available for review upon request by CJD. Contracts must be consistent with Texas contract law and procured under your agency's procurement guidelines.
- Grantee agencies are responsible for monitoring all contracts involving CJD funds. Agencies must have an established written contract management policy. The policy should include measures to ensure that deliverables are met and that contracts are monitored on a regular basis. Agencies must also document the results of all contract monitoring reviews and retain all related files in accordance with CJD's record retention policy. (Refer to the section on Closing-out a Grant for information on CJD's record retention policy.)

You may be asked to reimburse CJD for contractual costs if contracted services are not sufficiently monitored.

deliverables are met and that contracts are monitored on a regular basis. Agencies must also document the results of all contract monitoring reviews and retain all related files in accordance

NOTE: *If your agency does not have procurement guidelines, you are required to follow the guidelines outlined in the Uniform Grant Management Standards, Section III, Subpart C, __.36.*
UGMS may be accessed by going to: <http://www.governor.state.tx.us/divisions/stategrants/guidelines/>

- **ARRA recipients only:** All ARRA grantees reporting contractual expenses within an FSR must include the cumulative hours worked for each contractor, the name of the individual or company providing the contract service, and the zip+4 code of the contractor's primary place of business. In addition, ARRA grantees may only report one contractor name/company per budget line item. If your agency has multiple contractors combined under one line item within your approved contractual budget, you must submit a grant adjustment request to separate those contractor services into individual line items.

- **Travel and Training**

1 TAC §3.79

- Your agency's current policy for mileage, meals and lodging must be followed.

If your agency does not have an approved travel policy, travel expenditures must be consistent with the State's travel policy found at: <https://fm.xcpa.state.tx.us/fm/travel/index.php>

- Attendance at out-of-state training or conferences must be pre-approved by CJD. An explanation of: 1) how the event is related to grant activities; 2) how attendance at the event will impact the project's goals and objectives; and 3) justification as to why agency personnel must go out-of-state rather than attend a similar training in-state must be provided.

- **Equipment**

1 TAC §3.81

- CJD must pre-approve all requests to purchase equipment. CJD will not authorize reimbursement of equipment that exceeds the amount in the approved budget **or** the number of items approved for purchase in the budget. If the original approved amount is not enough to cover actual equipment expenses, a grant adjustment must be submitted to CJD via eGrants before the actual purchase of the item(s).

When requesting reimbursement, eGrants will not allow you to enter a higher dollar amount than the current amount approved for the Equipment line item.

- If multiple units of the same item are going to be purchased, the number and cost per item (e.g., 4 computers @ \$700 each) must be included in the line item description. The line item descriptions must include justification as to how the equipment will support the project.
- Your agency must maintain an inventory of all CJD grant-purchased equipment. The inventory list must include a description of the property, date purchased, acquisition cost, serial number or other identifying number, CJD grant number under which the property was purchased and current location of the property.
- CJD must pre-approve any equipment purchase expected to exceed \$100,000. This includes single item purchases in excess of \$100,000 and multiple items from a single vendor in one line item that exceed an overall cost of \$100,000. Upload a Procurement Questionnaire into eGrants for CJD review and approval before committing to procurements in excess of \$100,000. The Procurement Questionnaire allows CJD to review the agency's policies for purchasing equipment in excess of \$100,000. (Refer to Appendix A for an example of the Procurement Questionnaire or download a copy by going to: <https://egrants.governor.state.tx.us/updates.aspx>.)

- Your agency's procurement policy for all equipment purchases must be followed.

NOTE: If your agency does not have procurement guidelines, follow the guidelines outlined in the Uniform Grant Management Standards, Section III, Subpart C, __.36. UGMS may be accessed by going to <http://governor.state.tx.us/files/state-grants/UGMS062004.doc>

- Copies of documentation related to the purchase of equipment must be maintained within your agency and retained in accordance with CJD's record retention policy. CJD may ask for copies of invoices for equipment purchases to be uploaded into eGrants. (Refer to the section on Closing-out a grant for information on CJD's record retention policy.)
- CJD grant-purchased equipment may only be used for approved grant activities.

NOTE: Personal use of grant-funded equipment such as laptops or cell phones is not allowed.

- Brand names should not be included in your budget line item description(s).
- CJD will not approve grant funds to purchase vehicles or equipment for governmental agencies that are for general agency use.
- Requests to purchase law enforcement vehicles should include any additional items you are requesting for equipping the vehicle. Costs for vehicle accessories should be described in the single line item description of the vehicle. (e.g., Patrol Vehicle with installed mobile data terminals, radios, radar, sirens @ \$20,000).
- CJD considers equipment to be an article of non-expendable, tangible personal property having a useful life of more than one year and an acquisition cost which equals the lesser of the capitalization level established by the grantee agency for financial statement purposes or \$1,000; or any of the following items with costs between \$500 and \$1,000: stereo systems, still and video cameras, facsimile machines, DVD players, VCRs and VCR/TV combinations, cellular and portable telephones, and computer systems.
- If your agency's capitalization level is less than \$1,000, you may leave the item within the equipment category. Make a note in your line item description stating that your agency capitalizes equipment with a value of less than \$1,000 with the exception of the above mentioned equipment items that cost between \$500 and \$1,000.

If your grant is selected for monitoring, CJD's monitoring staff will verify your equipment inventory and purchases against your budgeted and reported expenditures.

- **ARRA recipients only:** All ARRA grantees reporting equipment expenses within an FSR must include the name of the vendor from whom the equipment item was purchased as well as the zip+4 code of the vendor's primary place of business. In addition, ARRA grantees may only report one vendor name/company per budget line item. If your agency has multiple vendors combined under one line item within your approved equipment budget, you must submit a grant adjustment to separate those equipment purchases into individual line items.

- **Supplies and Direct Operating Expenses**

- 1 TAC §3.83

- Line items must be related to the day-to-day operation of your CJD grant-funded project.
 - For non-profit organizations, a fidelity bond is required and is an allowable grant expense.
 - Costs must be prorated if you are sharing usage of items that are included in your budget. For example, if your agency has a copier and it is shared by the whole office – not just the CJD grant-funded project – you must prorate usage to cover only copies related to the CJD grant-funded project activities. CJD's monitoring staff may ask you to show the processes used for determining pro-rata costs.
 - Costs must also be prorated when charging the grant for maintenance agreements and other items that extend beyond the grant period. For example, if you have a 12-month agreement for copier machine maintenance and only six months of the agreement falls within the grant period, you can only charge the grant for the six months.
 - Costs for rent or leasing space must include the cost per square foot and the number of square feet being charged to the grant.
 - Depreciation on a building or equipment is not an allowable grant expense, but a portion of it is allowed as in-kind match. (see Match section)
 - Costs for small items may be combined into one line item. (Pens, paper clips, paper, and diskettes may all be included within the standard Office Supplies line item).
 - CJD considers some small equipment purchases to be supplies. In general, small equipment with a useful life of less than one year and a purchase price of \$999 or less per unit may be listed under the Supplies category.

- Costs for leasing vehicles should include the number of vehicles to be leased and the estimated fee per vehicle unless it is a lease-to-own purchase which would then be considered an equipment purchase.

- **Indirect Costs**

1 TAC §3.85

- If the funding source for your project allows indirect costs and your agency is requesting indirect costs in excess of two percent (2%) of the CJD-funded direct costs, a copy of the agency's approval letter from its cognizant agency identifying the indirect cost rate must be submitted to eGrants under the "Upload.Files" sub-tab within the "Summary" tab.
- If your agency receives a new approval rate from its cognizant agency during the grant period, a grant adjustment updating your budget must be submitted. A copy of the new approval letter from the cognizant agency must also be uploaded into eGrants.

CJD may negotiate the indirect cost rate if it is in excess of two percent.

- **Match**

1 TAC §3.73

- Grantees are held to the level of match in the approved budget.
- Matching funds are subject to the same statutes, rules, regulations and guidelines applicable to the use of the CJD-funded portion of the grant project.
- Cash (hard) match is actual cash spent by your agency on the grant project. Cash does not lose its identity when it passes to another party.
- In-kind (soft) match is the value of donated services or items, and is not allowed in all fund sources. In-kind match may include:
 - The fair market value of volunteer time, professional services, travel expenses, building space, non-expendable equipment, materials, and supplies contributed during the grant period to the grantee by a third party.
 - Depreciation and usage fees for buildings or equipment acquired by the grantee before the start of the grant period and used by the grant-funded project. The maximum depreciation allowable is the amount that occurs during the grant period.

If you are applying for a grant that is funded under a program that does not require match and you do not want to be held to the match, do not include match in your CJD budget.

- **Generated Program Income (GPI)**

1 TAC §3.87

Be sure to maintain a log of all GPI received by the project. Income from asset seizures is not considered GPI until it has been awarded (forfeited) by the court to the grantee agency.

- GPI is defined as **any** income received by a grantee that is a direct result of the CJD award.
- Direct result is defined as a specific activity or set of activities that are directly attributable to CJD grant funds and directly related to the goals and objectives of the project.
- Examples of GPI include, but are not limited to:
 - ◆ asset forfeitures;
 - ◆ interest income;
 - ◆ restitution;
 - ◆ proceeds from the sale of equipment purchased with grant funds;
 - ◆ fees; and
 - ◆ proceeds from grantee-provided training and related course materials which have been funded by a CJD grant program.
- If your project earns program income, you must submit a grant adjustment to CJD to include the program income in your budget.
- CJD approval of a grant adjustment adding GPI to the project is required **before** GPI can be spent.
- GPI should be used to offset CJD funds.
- GPI must be spent on project expenses **before** expending CJD grant funds.
- Program income is subject to the same statutes, rules, regulations, and guidelines applicable to the use of the CJD-funded portion of the grant.
 - All law enforcement agencies receiving CJD funds must maintain a seizure log that reflects any seizure at which grant-funded personnel (full time, part time, or overtime) were present. (If there are no grant funded personnel, the seizure does not need to be reported.)
 - For each seizure at which grant-funded personnel were present, the grantee agency must maintain the asset sharing agreement pertaining to that seizure and make available to CJD upon request.
 - Asset sharing agreements should include all agencies that participated in the seizure and the proposed distribution should coincide with each agency's level of support in the operation.

- If no external agencies participated in the seizure and the grantee agency had grant-funded personnel and non-grant funded personnel involved in the seizure, the asset sharing agreement should be equally distributed and tracked based on the level of participation by grant-funded and non-grant-funded officers.
 - A grant adjustment must be initiated to add forfeited GPI to the budget and the grantee agency must expend all GPI prior to receiving any CJD funds.
- Grantees earning GPI from seizures and forfeitures are required to maintain documentation of the seizures and forfeitures received by the grantee agency including, but not limited to, seizure and forfeiture logs, agreements defining the distribution of seizures and forfeitures, and any other documentation required by statutes, rules, regulations, and guidelines applicable to the seizure and forfeiture of contraband.
 - You cannot carry forward unspent program income from one grant year to the next. Any remaining GPI must be refunded to CJD at the end of the grant period.

NOTE: For additional information on federal requirements for handling GPI, see Part III, Chapter 4 of the Office of Justice Programs Financial Guide found at: <http://www.ojp.usdoj.gov/financialguide/>.

What is supplanting?

- ◆ *Supplanting is the deliberate replacement of state or local funds with CJD grant funds. Grant funds cannot be used to replace federal, state, or local funds that would otherwise be available for the project.*

*If it is a routine budgeted item by your agency, you cannot use CJD grant funds to replace your agency's funds. All CJD grant funds and matching funds should be **in addition to** existing projects.*

- ◆ *Agency personnel cannot be moved into a grant-funded project unless that person's former position is filled or the person's former position was grant-funded and the grant funding ended. If duties are assigned that are in addition to a person's regular working schedule, CJD funds may be used to pay for the additional hours and duties.*

If you assign non-CJD grant-paid personnel to a CJD funded project, you may only use CJD grant funds to pay for the individual's travel and expenses incurred while performing grant-funded activities.

- One example of supplanting is: If your law enforcement agency has already budgeted for 25 peace officers and you receive a CJD grant for three officers to investigate cold cases, your total number of officers increases to 28. CJD funds must support the three additional officers rather than three of the

already budgeted 25 peace officers. If three officers are assigned additional duties that are in direct relation to the CJD grant, their salary may be increased accordingly and that portion may be paid for with CJD funds.

- Another example of supplanting is: If your agency has included the replacement of three computers in its non-CJD grant-funded approved budget and the agency receives a CJD grant which has the approval to purchase one computer, your agency is still responsible for purchasing the three computers. **In addition to** the three regularly budgeted computers, CJD funds may be used to purchase an additional computer for a total of four computers.

Is there a list of items that grant funds cannot be used to purchase or support?

- ♦ *Yes. Each CJD grant program has specific items that are not allowable. Refer to Appendix B of this document to locate the program under which your grant is funded.*

In general, grant funds cannot be used to purchase or support the following items:

- ♦ proselytizing or sectarian worship;
- ♦ lobbying;
- ♦ promotional gifts;
- ♦ medical services;
- ♦ admission fees or tickets to any amusement park, recreational activity or sporting event;
- ♦ food, meals, beverages, or other refreshments unless the expense is for a working event where full participation by participants mandates the provision of food and beverages, and the event is not related to amusement or social activities in any way;
- ♦ any expense or service that is readily available at no cost to the grant project, or that is provided by other federal, state or local funds;
- ♦ vehicles or equipment for government agencies that are for general agency use; and
- ♦ any other prohibition imposed by federal, state, or local law.
- ♦ legal services for adult offenders;
- ♦ fundraising;
- ♦ membership dues for individuals;
- ♦ new construction;

GRANTS MONITORING

WHAT IS “GRANTS MONITORING”?

1 TAC §3.2601

- ♦ *The Grants Monitoring Section is a division within CJD. The purpose of the Monitoring Section is to enhance the integrity of CJD’s grant administration through reviews of grantees’ financial and programmatic compliance with laws and guidelines applicable to each grant.*
 - CJD monitoring staff also provides technical assistance to grantees in the following areas:
 - accountability and stewardship of public funds; and
 - deterrence of misuse and abuse of grant funds.
 - Monitoring reviews may be conducted on site at the grantee’s offices or through a desk review that involves telephone consultations and review of materials submitted by the grantee. Monitors may also make contact visits with grantees.
 - Monitors perform reviews of the Single Audit Reports and review the checklists from COG planners’ visits.

If our agency receives a grant, will the grant be monitored?

- ♦ *All grants are subject to a monitoring review.*
 - Monitored grants may be selected through a risk analysis, an emphasis on a specific fund source, or upon request.
 - Reviews may be conducted at any time and may be unannounced.

What areas are reviewed by the CJD monitoring staff?

- ♦ *Monitors review financial records, supporting documents, agency policies and procedures, time records, equipment inventory, contracts, and other grant records pertinent to the award.*

What do we need to do to prepare for a monitoring visit?

- ♦ *You should provide CJD’s monitors with the following information:*
 - ♦ chart of accounts
 - ♦ detailed listing of the general ledger accounts
 - ♦ revenue accounts
 - ♦ cash match accounts
 - ♦ list of personnel assigned to the grant, including name, position, and current salary
 - ♦ payroll records
 - ♦ internal policies and procedures
 - ♦ equipment inventory list
 - ♦ program records
 - ♦ copies of contracts
 - ♦ travel logs and expenditures
 - ♦ personnel files on grant-paid staff and staff used as match
 - ♦ time and attendance records for all grant staff and volunteers
 - ♦ invoices and receipts for grant-funded purchases

Who should be present during a CJD site review?

- ♦ *At a minimum, the Project Director and the Financial Officer, or their designee(s) should be present.*

After the CJD monitoring site review is over, will the CJD monitor send us a report?

- ♦ *Yes. CJD will issue a draft report with a list of noted findings and recommendations.*
 - Project officials will be asked to provide a management response within a specified timeframe.
 - The response should include a corrective plan for each finding.
- A second draft report will be issued if findings have not been adequately addressed.
 - Project officials will be asked to submit a second management response.
- CJD will evaluate the management response and send each grant official a final report that includes a determination on all findings.
- When all findings have been resolved, CJD will issue a close-out letter informing each grant official that the review has been completed and has been closed.

What are some of the common areas where CJD monitoring staff identifies non-compliance?

- **Personnel**
 - Insufficient Time and Activity Records:
 - Time and activity reports do not denote the grant activities performed each day.
 - Records reflecting the grant activities do not correspond to the actual number of hours grant-paid personnel worked on the grant each day. See *Appendix A* for a sample timesheet. The forms can also be downloaded from CJD's website: <https://egrants.governor.state.tx.us/updates.aspx>.
 - Case numbers for grant-paid personnel are not provided for law enforcement and prosecution projects.
 - Records of volunteer activities and hours worked are not provided when their time is being used to meet matching requirements.
 - Copies of timesheets do not include the approval of both the employee and their supervisor.
 - Records are not provided to demonstrate that salaries, overtime, and compensatory time are allowable and consistent with local policy.
 - Grantee has supplanted (replaced) agency funds with CJD grant funds.

- **Contractual and Professional Services**

- Grantee contracts or agreements are not in writing and not consistent with Texas contract law.
- Grantee does not have:
 - A system in place for contract administration;
 - Documentation of the monitoring of grant-funded contracts;
 - Documentation of compliance with the grantee agency's guidelines for procurements; or
 - Invoices supporting contractual services within the applicable grant period.
- Grantee has not submitted a CJD-prescribed Procurement Questionnaire when procurement is expected to exceed \$100,000.

If your agency does not have procurement guidelines, the agency must follow the guidelines outlined in the Uniform Grant Management Standards, Section III, Subpart C.36.

- **Travel and Training**

- Grantee has not complied with:
 - The agency's travel policy for meals, hotel, mileage, and other expenses; or
 - Maintenance of a travel log that includes mileage traveled, dates, destinations, and activities performed during the travel.

If your agency does not have an approved travel policy, travel expenditures should be consistent with the State's travel policy found at:
<https://fm.xcpa.state.tx.us/fm/travel/index.php>

- **Equipment**

- Grantee has not maintained:
 - An inventory of all CJD grant-purchased equipment.
 - Documentation of a physical inventory performed at least once every two years.
 - Invoices supporting equipment purchases within the applicable grant period.
- Grantee has allowed equipment to be used for purposes other than those for which it was purchased.
- Grantee has not submitted a CJD-prescribed Procurement Questionnaire when procurement is expected to exceed \$100,000.

- **Supplies and Direct Operating Expenses**

- Grantee has used supplies for purposes other than daily operation of the project.
- Grantee has not maintained receipts, invoices, or other acceptable documentation.
- Grantee has used CJD grant funds to purchase disallowed items such as:
 - Admission fees to amusement parks, recreational activities or sporting events;
 - Promotional gifts;
 - Food or beverages for activities other than events tied to an approved activity; or

- Membership dues for individuals.
- **Match**
 - Grantee has not maintained records of all in-kind contributions including a full description of the item or service claimed and how the fair market value of the item or service was determined.
 - Grantee has not used match in accordance with the same statutes, rules, regulations and guidelines applicable to the use of the CJD-funded portion of the grant.
- **Conflict of Interest**
 - Grantee has allowed a grant-paid employee to continue to work after they filed to run for public office.

Grant-paid employees are required to resign from their grant-paid position at the time they officially file for a campaign. (See the Hatch Act for additional information.)

- Grantee allowed two relatives to work on the same CJD grant without documentation stating that the employee will not be supervised by the relative and that the relative had no authority over hiring the employee.

What happens if a grantee does not cooperate with a CJD monitoring review or comply with the required actions necessary to resolve the findings?

- ♦ *The agency may be placed on vendor hold until issues are resolved or may be required to reimburse CJD for the grant funds that were paid to the agency for unresolved findings.*

SINGLE AUDITS

1 TAC §3.2603

Do requirements for single audits apply to all grantees?

- ♦ *Grantees that expend \$500,000 or more in combined federal grant funding, or \$500,000 or more in combined state grant funding must electronically submit an annual single audit to CJD. The audit must be conducted by an independent auditor.*

If a grantee meets the requirement for submitting a single audit and does not submit one to CJD, the grantee may be placed on vendor hold and may also not be awarded new grants.

- Grantees that meet the audit threshold must electronically submit to CJD their most current single audit. The audit, including the grantee's response and corrective plan, if applicable, must be submitted to CJD within 30 calendar days after the grantee receives the audit results or nine months after the end of the audit period, whichever is earlier.
- If a grantee is required to submit a Single Audit report to CJD, an electronic copy must be submitted by e-mail to: egrants@governor.state.tx.us or faxed to (512) 475-2440, Office of the Governor, Criminal Justice Division, Attn: Single Audit Point of Contact.

- Grantees must contact CJD's Monitoring Section if preparation of the single audit is being delayed for any reason.

CLOSING OUT A GRANT

How do we close out our CJD grant?

- ♦ *Grants are closed programmatically and financially when all programmatic and financial reports have been submitted **and** approved by CJD. There are four important steps in this process:*
 1. Submit a Final Financial Status Report (FSR) to CJD that includes the cumulative expenses incurred under the grant. The Final FSR lets CJD know that you do not expect to report any additional expenses for your grant project.
 - You must demonstrate that the match requirement, if applicable, has been met by accounting for all cash and in-kind match on the Final FSR. If you are short of meeting the match requirement on your Final FSR, it will be returned to you for correction or you will be asked to reduce your overall CJD award amount and refund the difference to CJD. If your grant was approved with matching funds that exceeded the minimum match requirement, you are still responsible for meeting the higher level of match.
 - You may submit a Final FSR prior to the grant liquidation date if you have expended all grant funds or do not anticipate any additional expenses under your grant. Any grant balances remaining upon submission of the Final FSR will revert to CJD.
 2. Demonstrate that all budgeted GPI has been expended on the Final FSR.
 - If you have earned GPI that is not reflected in the approved budget, you must submit a grant adjustment request to CJD to add the additional GPI before submitting your Final FSR.
 - If all the GPI is not spent during the grant period, you will be asked to revise your Final FSR to show reductions in CJD funded line item expenditures and increases in GPI line item expenditures. If the GPI exceeds the amount of CJD-funded line items, you will be required to send the balance to CJD.
 3. Submit your final progress report online to the Public Policy Research Institute (PPRI) at Texas A&M University. Once your report has been approved by CJD, your grant will be considered programmatically closed.
 4. Request disposition of equipment purchased with grant funds.
 - If you purchased equipment with grant funds and your project is not receiving a continuation grant, one of the project officials must submit a request to CJD to retain the items for continued operation of the project **if** the current fair market value is \$5,000 or more.
 - Equipment with a market value of less than \$5,000 may be retained by the grantee agency without CJD permission.

- CJD may also request that the grant-purchased equipment be transferred to another agency if the equipment will not be used to continue operation of the project or is no longer needed for the project.

Note: If you need to revise an FSR on a grant that has been closed by CJD, your grant manager will assist you in this process. Grantees are occasionally asked to revise their final FSR because of findings by CJD monitoring staff or audits conducted by the grantee agency.

How long do we have to keep CJD grant records?

1 TAC §3.2505

- Your agency must maintain all financial records, supporting documents, statistical records, and all other records pertinent to your grant for at least three years following the closure of the most recent audit report or submission of the final expenditure if the audit report requirement has been waived. Records retention is required for the purposes of federal or state examination and audit. Grantees may retain records in an electronic format. All records are subject to audit or monitoring during the entire retention period.
- Your agency must retain records for equipment, non-expendable personal property, and real property for a period of three years from the date of the item's disposition, replacement, or transfer.
- If any litigation, claim, or audit is started before the expiration of the three-year records retention period, your agency must retain the records under review until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.
 - Example: Sample County's Law Enforcement Project Grant ended July 1, 2006. Sample County's single audit for FY 2006 is completed in March 2007. Sample County is required to retain the grant records until March 2010.

RULES AND REGULATIONS

Where can we find written rules and regulations that expand on the items noted in this guide as well as provide any additional information necessary to efficiently administer the grant?

NOTE: Multiple documents may apply to your project.

- Applies to all CJD grants:
 - Texas Administrative Code, Title 1, Part 1, Chapter 3 (1 TAC): Contains additional information about CJD rules and policies regarding grants.
<https://egrants.governor.state.tx.us/updates.aspx>
 - Uniform Grant Management Standards (UGMS): Contains additional grant management policies for local and state units of government.
<http://governor.state.tx.us/files/state-grants/UGMS062004.doc>
 - OMB Circular A-133: Audits of States, Local Governments, and Non-Profit Organizations: Contains the responsibilities for non-federal entities in managing federal assistance programs and the responsibilities for auditors in respect to the scope of the audit.
<http://www.whitehouse.gov/omb/circulars/index.html>

- Applies to all CJD grants to state and local governments:
 - Common Rule for OMB Circular A-102: Grants and Cooperative Agreements with State and Local Governments: Establishes consistency and uniformity among federal agencies in the management of grants and cooperative agreements with state and local governments and federally recognized Indian tribal governments.
<http://www.whitehouse.gov/omb/circulars/index.html>
 - 2 CFR Part 225: Cost Principles for State, Local, and Indian Tribal Governments: Establishes principles and standards for determining costs for federal awards carried out through grants, cost reimbursement contracts, and other agreements with state and local governments, and federally-recognized Indian tribal governments.
<http://www.whitehouse.gov/omb/circulars/index.html>

- Applies to all federal grants with the exception of the Safe and Drug-Free Schools and Communities Act:
 - Office of Justice Programs Financial Guide (OJP)
<http://www.ojp.usdoj.gov/financialguide/>

- Applies only to grants funded under the Safe and Drug-Free Schools and Communities Act:
 - Education Department General Administrative Regulations (EDGAR)
<http://www.ed.gov/policy/fund/reg/edgarReg/edgar.html>

- Applies to all CJD grant to universities, colleges, hospitals and private non-profits:
 - 2 CFR Part 215: Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Private Nonprofit Organizations: Contains standards for obtaining consistency and uniformity among federal agencies in the administration of grants and agreements with institutions of higher education, hospitals, and other non-profit organizations.
 - 2 CFR Part 220: Cost Principles for Educational Institutions: Establishes principles for determining costs applicable to grants, contracts, and other agreements with education institutions.
 - 2 CFR Part 230: Cost Principles for Private Nonprofit Organizations: Establishes principles for determining costs of grants, contracts, and other agreements with non-profit organizations.

The following information is provided to assist grantees in complying with timesheet requirements. Grant-funded CJD projects that have budgets with personnel expenses and volunteers used as in-kind match must comply with governing directives. Grantees may have timesheets which already include the required information listed below in the "Requirements" section. If not, grantees need to revise their forms to include the required information. A sample timesheet and a blank timesheet may be downloaded from the links below. The use of these specific forms is not required; however this format contains the required information for personnel timesheets. Questions regarding these forms should be directed to Rebecca Martinez (rmartinez@governor.state.tx.us) at CJD by email, telephone, or regular mail.

REQUIREMENTS:

- Timesheets for each grant-funded employee must provide brief descriptions of the daily grant activities performed. If an employee works on multiple grants, activities must be recorded separately for each grant.
- Timesheets for each grant-funded employee must contain all activities and all hours worked.
- Timesheets must be prepared at least monthly and they must coincide with one or more pay periods.
- Timesheets must be signed by the employee and his or her supervisor.

Note: These requirements also apply to volunteers used as in-kind match on the grant.

FORMS:

To obtain a Sample Timesheet, Blank Timesheet form, or the Requirements (PDF), download these documents at: <https://egrants.governor.state.tx.us/updates.aspx>. [See a sample of the timesheet on the following page.]

...(7) Salaries and wages of employees used in meeting cost sharing or matching requirement of Federal or *state* awards must be supported in the same manner as those claimed as allowable costs under Federal or *state* awards."

Texas Administrative Code (TAC) 3.73

"If matching funds are required on a grant, an applicant must ensure that it possesses or can acquire the required matching funds. A contractor or participating entity may contribute toward the matching funds requirement, but the applicant bears the responsibility for satisfying the matching funds requirement."

Fund Source Descriptions and Requirements

The following pages contain information on the state and federal rules and regulations governing the fund sources administered by CJD. Eligible activities are not inclusive of all federal purpose areas – they list only those for which CJD is currently funding projects.

COVERDELL FORENSIC SCIENCES PROGRAM

Source	U.S. Department of Justice, Title I of the Omnibus Crime Control and Safe Streets Act of 1968, codified as amended at 42 U.S.C. § 3797j et seq.
CFDA Number	16.742
Purpose	Improve the quality, timeliness and credibility of forensic science and medical examiner services for criminal justice purposes.
Project Requirements	<p>Projects are required to comply with all applicable state and federal regulations. Laboratories are required to comply with the following operational requirements:</p> <ol style="list-style-type: none"> 1. Use generally accepted laboratory practices and procedures established by accreditation organizations or appropriate certifications that are acceptable within the criminal justice system. 2. Demonstrate improvement over current operations in the average number of days between submission of a sample to a forensic science laboratory and the delivery of test results to the requesting office or agency. 3. Assure that all project personnel comply with 28 C.F.R. Part 22 regarding protection of personally identifiable information that may be collected for research or statistical purposes. 4. Certify that a government entity exists and an appropriate process is in place to conduct independent external investigations into allegations of serious negligence or misconduct by employees or contractors substantially affecting the integrity of forensic results. <p>Allowable expenditures are limited to the following:</p> <ol style="list-style-type: none"> 1. Laboratory and computer equipment including upgrading, replacing, and purchasing laboratory equipment, instrumentation, and computer hardware or software for forensic analyses and data management. 2. Supplies including laboratory items needed to perform analyses and to conduct validation studies, and other expenses directly attributable to conducting various types of forensic analyses. 3. Costs associated with forensic science or medical examiner personnel for overtime, fellowships, visiting scientists, interns, consultants or contracted staff in order to reduce a backlog.
Eligible Applicants	State agencies and units of local government that operate laboratories currently accredited by The Texas Department of Public Safety Laboratory Accreditation Board of the American Society of Crime Laboratory Directors, the National Association of Medical Examiners, or other Appropriate Accrediting bodies.
Eligible Activities	Equipment Only Purchases Investigation

CFDA Number	16.523
Purpose	Develop programs that promote greater accountability in the juvenile justice system.
Project Requirements	Projects are required to comply with state requirements.
Waiver of Application	<p>Any entity receiving a local allocation may waive their ability to apply for funds. Funds may be waived to CJD or to another larger or neighboring city, county, or Native American tribe that will still benefit the waiving entity's area.</p> <ol style="list-style-type: none"> 1. To waive funds to a larger or neighboring city, county, or Native American tribe, the entity's governing body must complete and forward the JABG Waiver of Funds Form to the governing body of the city, county, or Native American tribe intended to receive the funds. 2. Once the grantee completes the waiver of funds form, the grantee is required to upload the form into eGrants. 3. Failure to complete either a grant application or JABG Waiver of Funds Form will result in the local allocation reverting to CJD. <p>Cities, counties, and Native American tribes requesting funds through the Juvenile Accountability Block Grant program are responsible for obtaining written authorization from each entity that chooses to waive an allocation. CJD will not award waived funds to a city, county, or Native American tribe until a signed JABG Waiver of Funds Form is received.</p>
JABG Local Advisory Board	<p>Each unit of local government that receives a direct allocation under Eligible Applicants is required to establish an advisory board consisting of individuals representing police departments, sheriffs' offices, prosecutors, probation officers, juvenile courts, schools, businesses, and faith-based, fraternal, nonprofit, or social service organizations involved in juvenile crime and delinquency prevention.</p> <p>The local advisory board must develop a coordinated enforcement plan for the use of grant funds based on an analysis of the local juvenile justice system needs. The analysis determines the most effective use of grant funds within the defined program purpose areas that apply to those grant funds. The plan serves as the project narrative and summary and must follow the general format for a project narrative and summary as outlined in the application.</p>
Eligible Applicants	<p>Twenty-five percent of this fund is available for state discretionary set-aside grants to state agencies, units of local government (including crime control and prevention districts), Native American tribal governments, COGs, nonprofit corporations, and faith-based organizations. Faith-based organizations must be certified by the Internal Revenue Service as tax-exempt nonprofit entities. Grantees may not use grant funds or program income for proselytizing or sectarian worship. Discretionary projects are eligible for funding only under the specific program purpose areas selected by the Governor's Juvenile Justice Advisory Board.</p> <p>Seventy-five percent of this fund is available for local/regional formula grants to cities and counties based on a federal formula.</p> <ol style="list-style-type: none"> 1. Cities and counties qualifying for a direct formula allocation of \$10,000
